Office Memorandum

Subject: Constitution of Core group in CGA Office to attend to the problems relating to database of COMPACT of the Pay & Accounts Offices.

It has been observed that very often PAOs directly approach the NIC development team with their operational problems. This leads to a situation, wherein, efforts of development team are diverted in providing operation support. The NIC development team is already hard pressed with various developmental issues and direct intervention by them hampers the progress of these developments.

With a view to relieve the development team of dealing with the day to day problems of PAOs a Core Group has been constituted in O/o CGA comprising of Shri Ashok Sarkar, AAO and Shri Anil Mahendru, Sr Acctt for attending to those problems relating to COMPACT(all modules other than GPF) & Smt Seema, AAO (GPF module) for which the Support Group Members are unable to provide solution.

It is requested that all the PAOs under your Ministry/ Department may kindly be instructed to contact the Core Group at the Phone No 24640085 for COMPACT related issues **and not contact NIC development team.** Further, in case any backup of the COMPACT database needs to be analysed for any problem it should be brought to the Core Group between 0900 to 1300 Hrs.
