

Controller General of Accounts, Government of India

International Conference on “Public Financial Management for Improving Programme Delivery:”

October 20th to 22nd, 2008. New Delhi, India.

The overall objective of the Conference is to provide a common platform to the Public Financial Managers and various stakeholders for learning, dissemination of information, and assimilation of the latest international experiences on the subject of Public Financial Management. Common themes on issues related to the latest developments around the world in PFM will be addressed at the Conference.

The Conference is expected to be attended by eminent experts in the field of public finance and participants from Governments, Banking Sector, Academicians, Consultants, Public servants, etc. Representatives from North America, Europe, Latin America, Asia, Africa, etc. will share their experiences over three days to arrive at the best possible solutions to the common issues. Hon'ble Finance Minister of India is expected to inaugurate the Conference.

The broad structure of the Conference would cover the following areas:

- **Strengthening Programme Delivery at the Grass root level: Theories, Case Studies and Deliberations**
- **Integrated Financial Management Information Systems for Improving Programme Delivery: Theories, Case Studies and Deliberations**
- **Strengthening Internal Audit for better programme delivery: Theories, Case Studies and Deliberations**

Since the total number of seats at Conference is limited, participants are encouraged to register soon for the Conference.
